

November is Children's Reading Month!

Each year, during the month of November, we strive to get kids excited about reading...an excitement that we hope will stick and last throughout their lives.

Information about this year's theme, "**Ice Cream for Books!**" will be coming home with your children toward the end of this month. The kids will receive reading logs to help keep track of their reading. Students are encouraged to keep these in their folders so that on Fridays volunteers can collect them. For every hour that they read they will earn a "scoop of ice cream", made out of cardstock, which will be placed on their classes' ice cream cone. These will be displayed outside the library for all to see. This can include reading on their own, being read to, or listening to books on tape or CD. On December 1st one child from each class will be randomly selected to receive a \$5 gift certificate from **Mallard's Ice Cream**. The more they read, the more scoops they will have and the better their chances for being chosen!
